Equipment 10 MMSCFD JT Skid

Location Columbia– South America

Ship Date August 16th, 2017

Summary

An existing TransTex customer in South Texas needed a JT Skid for their South American operations in Columbia. The unit was needed to economically recover NGL's from their gas stream. With expert planning, as well as keeping quality equipment in stock, TransTex was able to ship the unit to the Port of Houston within 10-days of receipt of the order.
